# MURALS TO MAKE YOUR SPACE SHINE

In collaboration with  
The Mural Source,  
our gorgeous scenic  
wallcoverings such as  
“Pastorale Gold Mural”  
adds extra sparkle to  
the space.

Lillian is celebrating Three Generations of Design with her family, returning to her passion as an artist. Lillian is expressing her love of fashion and color designing new original collections of fabrics and wallcoverings, to marry to her furniture brand. This is an exciting time for her work in Home Furnishings. New Traditional and Coastal Classics Collections are reflective of retro-American design, and perfectly on-trend for her Interior Design audience.
